SIR,

Pol 82-11-4 76 E With reference to the correspondence ending with Mr. Srinivasa Iyengar's letter No. Pol. 987, dated the 25th May 1912, regarding the inter-provincial verification of the sale of arms, I am directed to state that the Government of Madras have now decided as the result of a further examination of the system that the sales of all the marginally noted arms and ammunition to the inhabitants of the Madras Presidency should be verified and to request at the instance of the Government of Madras, that, if there is no objection, arrangements may kindly be made to furnish the Commissioner of Police, Madras, or the District Magistrate concerned, in the Madras Presidency, as the case may be, with verification slips in respect of the arms and ammunition referred to above and not only in respect of rifles pistols and revolvers as requested in Mr. Warburton's letter No. 5920, dated the 30th September 1911. If, however, on any account, it would be more convenient for the Durbar to send verification slips in respect of all arms and ammunition purchased

(1) Rifles.
(2) Pistols
(3) Revolvers

(5) Walking Stick-rifles

purchased by the Residents of the Madras Presidency from dealers in Mysore, such a course may suitably be followed.

2. As regards purchases by the inhabitants of the Mysore State from licensed dealers in the Madras Presidency, the Government of Madras have resolved to instruct their District Magistrates and the Commissioner of Police, Madras, to forward in future, to the Inspector General of Police in Mysore a copy of the report of the purchases of <u>all</u> arms and ammunition prepared under the existing practice, instead of verification slips in respect of only rifles, revolvers and pistols. The Inspector General of Police will thus have information hereafter of all <u>arms</u> and ammunition instead of only rifles, revolvers and pistols. It is of course open to the Durbar to verify only such of the sales as they may deem necessary.

Sir,

Sir,

With reference to your letter No. J. 1185/Police 30-6-2 dated 21st September 1916, regarding interprovincial verification of sales of Arms, I have the honor to state that arrangements may be made to furnish the Commissioner of Police, Madras City or the District Magistrates concerned, in the Madras Presidency as the case may be, with verification slips not only in respect of the arms and ammunition noted in the margin (instead of only rifles, pistols and revolvers as hitherto) but also of all arms and ammunition purchased by the residents of the Madras Presidency from dealers in Mysore.

1. Rifles.
2. Pistols.
3. Revolvers.
4. Air-pistols.
5. Walking Stick-Rifles.
6. Breech loading guns.
7. Ammunition for all the above.
8. Sword sticks.

2. The Madras Government proposal to forward merely copies of reports of purchases instead of verification slips, it seems to me would not be so useful, as the latter (viz. verification slips) contain more information and the sale verification receipt registers now maintained in the Offices of the Superintendents of Police will remain practically blank if the proposal of the Government of Madras were adopted.

3. The proposal to furnish verification slips of all

arms and ammunition would involve very little change in the existing rules and conditions. The District Superintendents of Police can get copies of sale books of all arms from licensed dealers under the Arms Act within their jurisdictions, and from them the verification slips can easily be prepared and sent.

Sir,

Inspector General of Police.
